cartone // Como montar seus BLOCOS 1x2:

Com as mãos, empurre a parte lateral recém-dobrada para baixo

6

Faça o mesmo com o lado oposto

7

Dobre as laterais dos quadrados da parte superior

8

Encaixe as partes recém sobradas dentro do bloco

9

Vire a face exterior do bloco

10

A peça ficará da seguinte forma

11

Peça C

Pegue a peça C e dobre suas faces até virar um cubo

Encaixe os Blocos (Peça C) no resto da estrutura

Seu Bloco de Montar está pronto!
